

THE AUGGIE PLAN

WE ARE CALLED | AUGGIES

Guaranteed admission to Augsburg University at an affordable price

Following a defined pathway, you can earn your two-year associate's degree from **Minneapolis Community and Technical College** then seamlessly transfer to **Augsburg University** to finish your bachelor's degree. Through the Auggie Plan, if you complete 60 credits at MCTC with a 2.75 GPA* or better, you are guaranteed admission to Augsburg University. You may also be eligible for merit scholarships based on your previous college coursework.

*2.5-2.75 GPA still considered for admission, but not guaranteed

THE AUGGIE PLAN:

- Allows you to finish your bachelor's degree efficiently and affordably
- Maps out all the coursework you need at both institutions to make sure all your courses transfer
- Guarantees that your 60 credits from MCTC will satisfy all first- and second-year general education requirements at Augsburg University
- Grants you access to both MCTC and Augsburg advisors during all four years for extra support and guidance
- Gives you time to explore majors and career interests and offers the resources to secure work after graduation

Is this affordable?

Students who meet the criteria for the Auggie Plan, and complete the program on time, will qualify for the Auggie Plan Scholarship. This scholarship utilizes the Pell Grant, Minnesota State Grant, and manageable student loan amounts of approximately \$7,500 (each year) while at Augsburg, and Augsburg covers the remaining tuition costs for the junior and senior year. Students who do not meet the criteria for the Auggie Plan, or do not finish on time, may qualify for merit-based scholarships as a transfer student. Contact Augsburg for more details.

Who should look into the Auggie Plan?

The Auggie Plan and Scholarship is designed for Minnesota residents who are Pell grant eligible and just beginning their college career.

Any student can use this as a guide to begin their college experience at MCTC and are seeking a clear, attainable path to a Bachelor's degree. If you like to learn with people of diverse backgrounds, are excited by life in the city, and motivated by hands-on learning, you're a good fit for the Auggie Plan. Augsburg is the most diverse private college in Minnesota, a top research institution, and values inclusion and the unique talents all students bring to campus.

Why MCTC and Augsburg?

This 2 + 2 plan allows MCTC students to finish a bachelor's degree efficiently and affordably. It maps out all the coursework you need at both institutions to make sure all your courses transfer. If the plan is followed, it guarantees that your 60 credits from MCTC will satisfy all first- and second-year general education requirements at Augsburg University and leads to many different major options. The Auggie Plan grants you access to both MCTC and Augsburg advisors during all four years for extra support.
