Steps for Online Tutoring

- Schedule an appointment through Navigate; if you experience any issues or concerns, please email the [ASC](mailto:academicsuccesscenter@Minneapolis.edu) (academicsuccesscenter@Minneapolis.edu).
- A Zoom link will be created for your appointment. This link will appear in an automated email that is sent when the link is added to the Navigate appointment record.
- Install Zoom before your appointment. Log in to D2L, open the Resources menu and select Zoom. Follow the instructions to install.
- Turn on computer or device speaker, microphone, and camera.
- The Zoom phone app can also be used; however, file sharing and virtual whiteboard will not be available.
- When it is time for your appointment, open the link from the Navigate.
- The session will be recorded, and a link to review your session will be emailed to you. Because of the recording, Zoom will request your permission when you enter the meeting.

Please contact the Academic Success Center with any questions, concerns, or issues.

- Email academicsuccesscenter@Minneapolis.edu
- Include your starID and the type of tutoring appointment you'd like, as well as 3 possible times (date/hour).
