Request for Exception to Deadline – Grading Method or Withdrawal

Use this form to request one of the following:

- Change the grading method of a course to Pass/Fail or Audit after the published deadline
- Withdraw from a course after the published deadline

To be considered, you must clearly explain the reason why you did not change your grading method or withdraw from the course by the published deadline and include supporting documentation. Criteria for approval includes: documentable medical reasons; documentable college error; or significant, documentable personal circumstances.

Please note that retroactive changes to your record may affect your financial aid eligibility.

Important definitions

**Pass/Fail grading method**

If you complete the course with the grade equivalent to an A, B, or C, you will receive a grade of P on your transcript. **P grades do not impact your GPA.** P grades may or may not transfer to other institutions. If you complete the course with the grade equivalent of a D or F, you will receive an F grade on your transcript. **F grades do impact your GPA.**

**Audit grading method**

If you audit a course, you attend but are not graded on performance. No credit is earned and your GPA is not impacted. Audited courses are subject to normal tuition rates, but are not financial-aid eligible. A grade of AU will appear on your transcript. AU grades are not likely to transfer to other institutions.

**Letter grade**

A grade of A, B, C, D, or F.

**Drop**

A dropped course is removed from your transcript as if you had never registered and tuition is refunded or reversed. If you miss the deadline to drop a course, requests for retroactive drops must be submitted via a Petition for Tuition Refund form available at Business Services.

**Withdrawal**

If you withdraw from a course, you receive a W on your transcript. W grades do not impact your GPA, but do impact your completion rate for Satisfactory Academic Progress.
