Finding StudyBuddies with Navigate
From minneapolis.edu, click Students

Select NAVIGATE
Select Login with your school account.

Enter your StarID and Password and click Sign on.
Hey Student,

From the left menu, select Study Buddies.

If using the App, look for the Study Buddies icon.

Click View Available Groups.
Select the class for which you’d like a Study Buddy.

If no students are currently registered for Study Buddies, Navigate invites you to be the first to join, and will send you notifications when others join.

Confirm your selection.
Check the Study Buddies menu anytime you’d like an update.

If you’d like to leave a group, click on the class and then select Leave Group.
Thank You
