(You must have an MCTC i.d. number in order for your scores and placements to be entered into the Integrated Statewide Records System. If you do not have one, please do not submit this form until you do. MCTC i.d. numbers are issued when you apply for admission to MCTC.)

I request that the scores I received during MCTC College Readiness testing be sent to the Minneapolis Community & Technical Testing Center (FAX: 612-659-6265). I would like to use these test results in conjunction with my PSEO application or my regular MCTC application.

I understand that all scores except math are valid for three (3) calendar years, inclusive of the current calendar year. Math scores are valid for two (2) calendar years, inclusive of the current calendar year. A calendar year is January 1st through December 31st.

Scores will transfer to MCTC; placements received at the time of College Readiness testing may not be the same as those that will be used at the time of my application. MCTC changes cut scores on an annual basis, if necessary. Your transferred scores will be interpreted into the current cut score scheme.

This release is valid for one year.
