Feeling stuck on your math requirements? Want to graduate more quickly?

Finish your college math requirement in two semesters!

- Take Statway1 (math 0145) followed by Statway2 (math 1145) and fulfill your math requirement in two semesters.
- Interactive, project-based learning increases math skills.
- Fewer credits. Less time. Less money.
- Online textbook included.

Finish your math requirements in only two semesters when you enroll in STATWAY!
Who should take this class?

- Statway is great for liberal arts majors desiring to transfer.

Why should I take Statway?

- Statway is a new class that has been taken by more than 1,000 students from across the country.
- Usually, only 5% of students enrolled in Algebra complete their college math credit in one year, whereas 50% of Statway students achieve their math requirement in one year.

Pre-requisite:

- Math 0060 or placement into Math 0070.

How is Statway different?

Statway has helped hundreds of students achieve their bachelor's degree by giving them a chance to learn why math is important and useful.

- In Statway, you will learn math differently.
- Collaborate with your peers and learn together.
- Statway is not a traditional lecture class. You will learn how to use math in the real world.
